

Fall 2017

Paid Veterinary Medicine internship available, with housing,
at Caldwell Zoo in Tyler, Texas

The Caldwell Zoo is seeking a highly motivated, hard-working, professional minded student who wants to take advantage of a full-time educational opportunity to gain on-the-job experience in zoo veterinary medicine

Students will be exposed to all veterinary department activities and work closely with the veterinary team

Learning opportunities include, but are not limited to: preventative medicine, disease treatment, exotic animal handling/restraint, record keeping, behavioral observation, nutrition, husbandry, visitor relations, and other zoo operations topics

Requirements

- Must be 18 years of age or older
- Must have sophomore or higher classification
- Veterinary Technology student preferred but not required
 - Overall GPA must be 2.5 or higher
 - Negative TB Test

Fall Internship (August – December)
Deadline for applications: August 18th, 2017

If interested, please send a letter of interest and resume to:
