Veterinary Technicians

Job Description:

We are hiring **Full-Time or Part-Time Veterinarian Technicians** with experience or the **desire to work with exotic species** to join our friendly, hardworking, and caring team. We are looking for responsible, proficient, and motivated technicians with excellent customer service skills and the desire to learn. We strive to practice the highest quality small animal and exotic pet medicine in our state-of-the-art hospital. We provide the best possible care for our patients and clients in an environment that fosters professional growth, teamwork, and respect among our staff.

We are looking for hardworking and dedicated individuals. We prefer that applicants have worked as Veterinary Technician or Veterinary Assistants for at least one year. **We are a teaching hospital** for a local Veterinary Technician program and are eager to train you if you have limited experience.

About Alta View Animal Hospital:

Alta View Animal Hospital is pleased to serve the medical needs of the many communities of Silicon Valley. Our mission is to provide the very best veterinary care to our patients. Our doctors, hospital staff, and interns strive to continue their education to bring our patients the highest quality care available.
